

# GM BluePlan Engineering Limited

Current opportunities available for

## **Intermediate CAD Drafter & Designer (full-time permanent position) Location: Hamilton, Ontario**

**GM BluePlan Engineering** is a dynamic consulting firm providing experience and expertise in the areas of Infrastructure Master Plans, Asset Management, Environmental Assessments, Hydraulic and Hydrologic Modelling, with proven Municipal, Environmental, Structural, Land Development and Construction Services that allow GM BluePlan to support our clients throughout the project life cycle. We have a strong legacy of providing sound technical advice and innovative solutions for our private and public sector clients.

Come join our amazing team of talented, energetic and creative people that together contribute to the continued growth and success of the Company!

### **RESPONSIBILITIES:**

- Preparation of preliminary and detailed design of site grading, drainage and servicing plans for land development and plan and profile drawings for municipal infrastructure projects;
- Preparation of process design drawings for water and wastewater pumping stations, storage and treatment facilities;
- Completing design calculations for storm sewers, sanitary sewers, watermains and stormwater management facilities;
- Participating in conceptual and preliminary design strategic team (internal and client facing) meetings;
- Coordination with utilities and approval agencies;
- Developing cost estimates, construction specifications and contract documents;
- Field work including detailed topographic site surveys and field inspection during construction;
- Other duties as assigned.

### **QUALIFICATIONS:**

- Graduate of an engineering technology program or equivalent training. Eligible for or obtained OACETT designation an asset;
- 3+ years of design related experience for intermediate positions.
- Experience and aptitude to work with the following software packages: Microsoft Office, AutoCAD Civil 3D;
- Knowledge of Revit, Microstation, GIS, Coordinate Systems and surveying considered an asset;
- Possess strong organizational, oral, written communication, and problem-solving skills; have an approachable enthusiastic interpersonal style;
- Possess a valid driver's licence.

### **WE ARE COMMITTED TO PROVIDING:**

- A dynamic work environment which encourages teamwork, initiative and creativity;
- Career development and education opportunities;
- A competitive compensation package commensurate with experience, including a benefit package and RRSP program;
- Extra-curricular social activities (hockey, golf and many more social events).

### **JOIN OUR TEAM!**

Candidates who are interested in joining our dynamic team are invited to forward their resume via email to [careers@gmblueplan.ca](mailto:careers@gmblueplan.ca), indicating the **position** in the subject line of their email.

*We thank all applicants; however only those selected for an interview will be contacted.*

*GM BluePlan Engineering will accommodate candidates under the AODA legislation in all aspects of the hiring process. Please notify us if accommodation is required.*
